

Capability Statement

Miami Business Services, LLC

Business Processes, Logistics and Supply Chain Services

SBA 8(a) • SDB • Tribally Owned

Miami Business Services, LLC (MBS) serves our Federal customers with business processes support in both CONUS and OCONUS locations. MBS leads a team of subject matter experts in specific financial and logistics specialties and program and project staff and management.

MBS offers solutions to contracting agencies that seek to maximize resources with a simplified acquisition process. Our Federal customers work with a management team dedicated to providing responsive, communicative, and agile support. We look forward to opportunities to collaborate with our customers to create optimal solutions that save time and enhance value, including performance based contracting.
