Miami Business Services, LLC

High Performance Construction and Facilities Support Services

SBA 8(a) • SDB • Tribally owned 8(a) Certified Firm

Miami Business Services, LLC (MBS) provides the Federal Government with support for construction, operations and maintenance, and other facilities support activities. MBS offers solutions to contracting agencies that seek to maximize resources with a simplified acquisition process.

MBS is proud to serve our country through construction and facilities support at military bases and reserve buildings. Our experience brings familiarity with the expected quality of work, schedule expectations, and contracting requirements needed to execute timely and cost-effective projects.

Our Federal customers work with a management team dedicated to providing responsive, communicative, and agile support. We look forward to opportunities to collaborate with our customers to create optimal solutions that save time and enhance value, including performance based contracting.
